
Residential Colleges

The University of Macau's residential college (RC) system provides a platform for knowledge integration based on the University's 4-in-1 education model with the goal of producing well-rounded graduates who exhibit love for their home country, possess global perspectives and competitiveness, and shoulder social responsibilities necessary for the development of Macao, the nation and beyond. Students are given the opportunity to cultivate skills and sensibilities of responsible citizenship with a heart and character to contribute to their motherland and Macao, as well as the humankind at large. They learn to take an active role as honest, incorruptible, law-abiding and public-spirited citizens to improve the quality of life and public good. Furthermore, the RC's communal living and activities help students develop their skills in service and leadership, teamwork and collaboration while enriching their lives through cultural engagement and healthy lifestyles.

Students from different academic disciplines live together in each RC, thereby creating a stimulating learning environment in which, with a broadened intellectual horizon, they are able to comfortably co-exist, communicate, and collaborate with people of different disciplines or cultural backgrounds, meanwhile develop a global perspective, think independently, and uphold self-confidence in cultural aspect. Learning from such experiences would be applied effectively in real-life situations once they enter the workforce after graduation, and get them better prepared to navigate in the globalizing world, lead a globally competitive career, and sustain a fulfilling and joyful life.

Students are normally required to reside in an assigned RC for one year as a requirement. They are expected to enhance their skills and abilities in the seven aspects of learning competencies (see below) through five major educational measures, including activity learning, communal meal participation, credit-bearing courses, meeting regularly with mentor, and high table dinner experience, which are implemented in RC living and learning environment. Dedicated team of RC's Residential and Non-Residential Fellows also offer pastoral care and academic support under the RC educational environment.

RC's 7 learning competencies:

1. Responsible citizenship
2. Global competitiveness
3. Knowledge integration
4. Teamwork and collaboration
5. Service and leadership
6. Cultural engagement
7. Healthy lifestyle

There are currently 10 Residential Colleges, namely Cheong Kun Lun College, Chao Kuang Piu College, Cheng Yu Tung College, Choi Kai Yau College, Henry Fok Pearl Jubilee College, Lui Che Woo College, Moon Chun Memorial College, Ma Man Kei and Lo Pak Sam College, Stanley Ho East Asia College and Shiu Pong College.
